Sebastian Casallas Arias

Colombia, Bogotá · **https://www.linkedin.com/in/sebastian-casallas-arias-a46645302** · +57 3224729356· sebastiancasallasarias2020@gmail.com

Junior Software Developer with over 6 months of experience in Full Stack development. I have worked on projects such as SASS platforms for veterinarians and team management using technologies like Node.js, Express, React, and TailwindCSS. I excel in implementing clean code architectures and strict typing, ensuring software quality and scalability. Additionally, I can communicate in Spanish and a strong passion for continuous learning.

PROFESSIONAL EXPERIENCE

Zecsba – APV   **Colombia, Bogotá**
FullStack Developer   *May – 2024 – July 2024*

- Developed a platform to manage patients for each veterinarian in the area.
- Implemented Model View Controller using Node.js and Express, improving code readability.
- Utilized React and TailwindCSS for Frontend development.

Zecsba - UpTask   **Colombia, Bogotá**
FullStack Developer   *June – 2024 – August 2024*

- Developed a platform for team management for small and medium-sized companies in the sector.
- Implemented strict typing for both Backend and Frontend to avoid execution errors.

Academlo - Ecommerce   **Colombia, Bogotá**
FrontEnd Developer   *June – 2024 – June 2024*

- Developed a virtual store with authentication for purchasing items.
- Used React for the Frontend.
- I also developed the API which is being consumed in the project.
